OUR PRODUCTS

SELF-SUPPORTING TOWER(MS)

Usage/Application	Internet Connectivity, RF Link Setup, WiFi Installation, CCTV Installation
Tower Type	Self-Supporting Tower
Material	Mild Steel
Color	Orange & White Combination. Silver and Grey
Height	up to 65 meter
Installation site	PAN India

SELF-SUPPORTING TOWER(GI)

Usage/Application	Industrial
Material	Galvanized Iron
Tower Type	Self-Supporting Tower
Range	All Related Range
Color	Orange & White Combination. Silver and Grey
Height	up to 65 meter
Installation site	PAN India

SELF-SUPPORTING TOWER(HOT DIP)

Tower Type	Self-Supporting Tower
Usage/Application	Internet Connectivity, RF Link Setup, CCTV Installation, LA Installation
Material	Hot Dip Galvanized, GI
Color	Orange & White Combination. Silver and Grey
Design	Standard Lattice Tubular Design
Height	up to 65 meter
Installation site	PAN India

GUY WIRED

Usage/Application	Telecom
Material	Mild Steel
Tower Type	Guyed Tower
Range	All Related Range
Color	Orange & White Combination. Silver and Grey
Height	up to 65 meter
Installation site	PAN India

CCTV POLE

Shape	Round
Material	Galvanized Iron
Application	CCTV Camera Fittings, solar lights, street lights
Height	3-12 Meter
Installation Site	PAN India

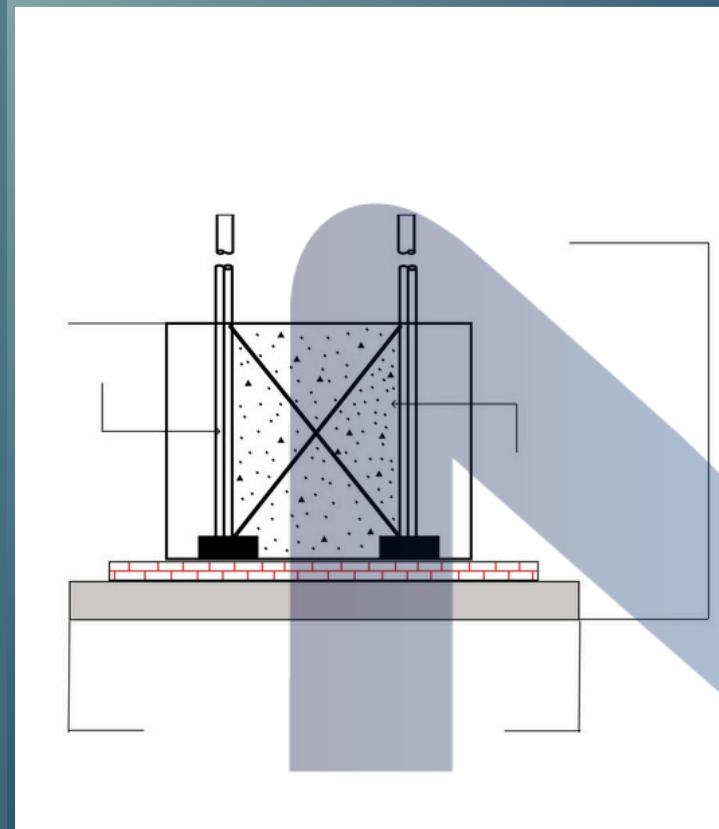

SOLAR WORK

Design Type	Round
Material	Steel
Frame Material	Galvanized Iron
Color	Silver, Grey
Bearable Wind Speed	100kmph
Applications	Solar Plants, Street Light, Society, Industrial Sites
Coating	GI, Hot Dip, Epoxy
Thickness	3mm to 4.5mm

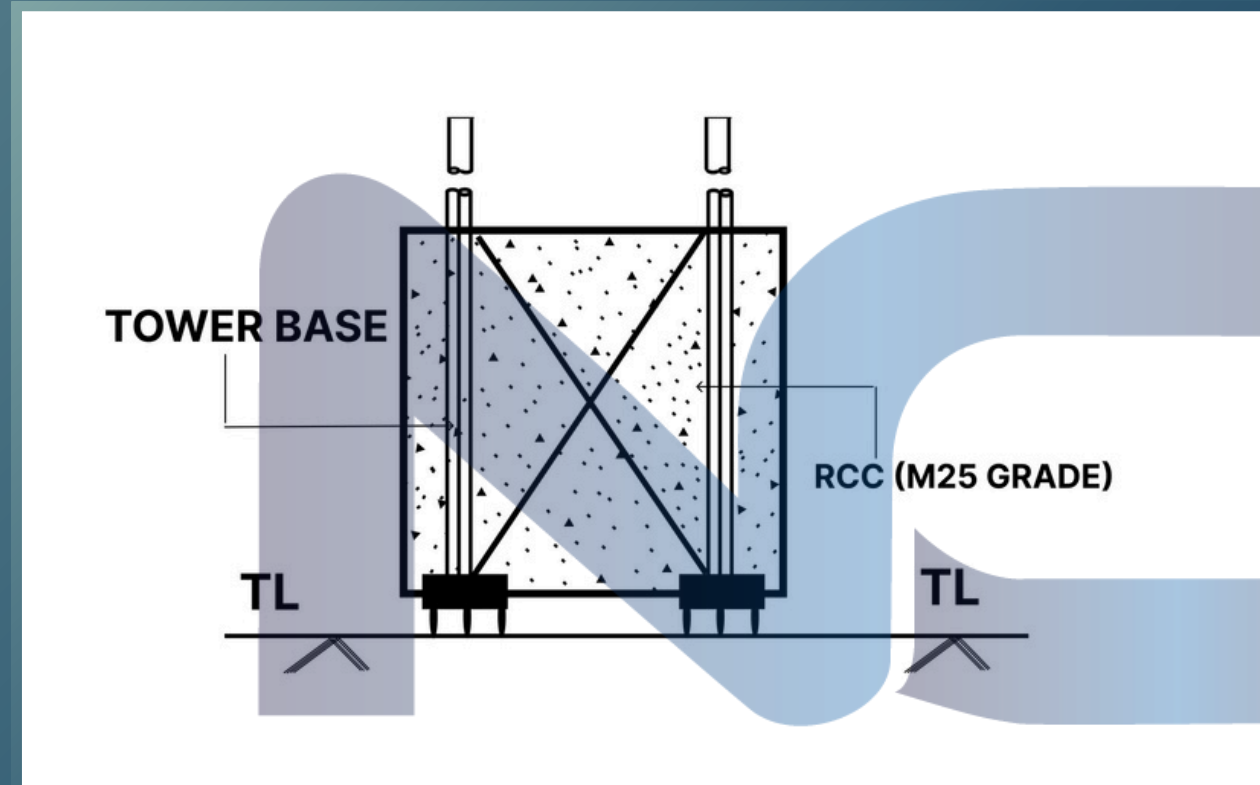

CIVIL FOUNDATION GROUND

- A ground to civil foundation detail for a tower specifies excavation depth, concrete mix, reinforcement, and anchoring systems, ensuring proper load transfer to the ground. It includes footing shape, reinforcement placement, concrete grade, and stabilization measures based on soil conditions.

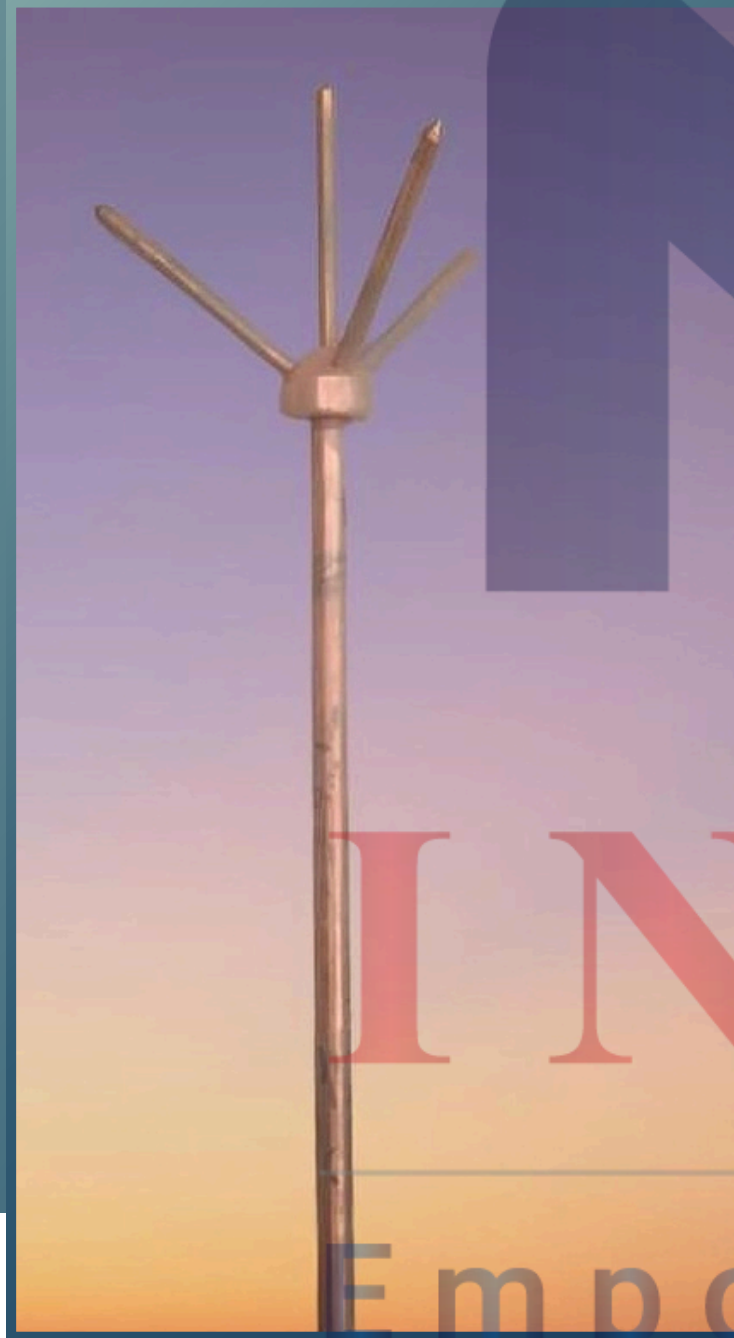

CIVIL FOUNDATION TERRACE

- A terrace tower foundation uses a reinforced concrete slab or raft to evenly distribute weight, often with thickened edges or tiered designs. Geotechnical analysis determines the optimal depth and structure for stability.

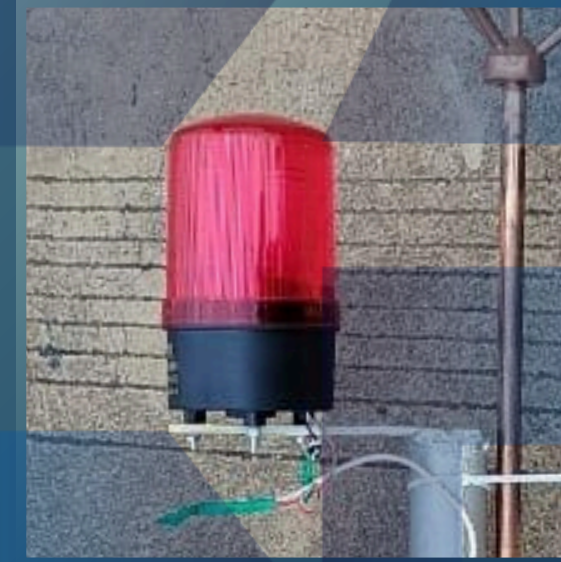

ACCESSORIES & EQUIPMENTS

Lighting Arrester

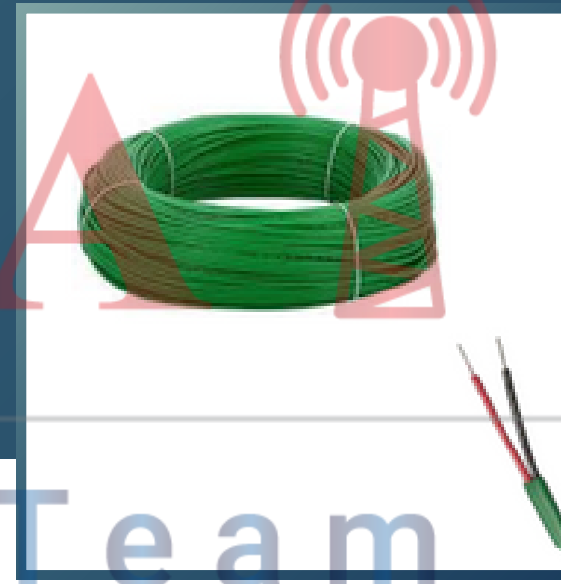

Earthing rod

Aviation Lamp

Earthing Cable

Power Cable

Earthing Pit Installation
